1 System Requirements

1.1 Systems and services

The software requires the following systems or services:

A. Microsoft Project Server 2016 (on premises)

B. Microsoft Project Online

Microsoft Project Server 2016, Project Online Professional or Project Online Premium is required for installation of SOLVIN PulseBoard . Microsoft Project Server 2016, Project Online Essentials, Project Online Professional or Project Online Premium is required for usage of SOLVIN PulseBoard.

- 3 -

1.2 Browser support

For usage of SOLVIN PulseBoard the latest version of one of the following browsers is required.

- Edge¹ (latest version)
- Firefox (latest version)
- Chrome (latest version)

1.3 Internet connection

SOLVIN PulseBoard is hosted on a specific domain and uses CDNs (Content Delivery Network). Therefor an internet connection with access to the following servers with http (port 80) and https (port 443) is needed.

Hosted by solvin:

pulseboard.solvin.com

Hosted by Microsoft or Microsoft partners:

- ajax.aspnetcdn.com
- static.sharepointonline.com
- static2.sharepointonline.com

SharePoint Online requires additional CDNs. These are listed on the following page:

https://support.office.com/en-us/article/office-365-urls-and-ip-address-ranges-8548a211-3fe7-47cb-abb1-355ea5aa88a2?omkt=en-US&ui=en-US&rs=en-US&ad=US

2 Scope of Delivery

SOLVIN PulseBoard is delivered as ZIP file with the SharePoint app file as content:

SOLVIN PulseBoard-1.0.0.zip

L SOLVIN PulseBoard.app

SOLVIN[®] information management GmbH • Ziethenstr. 14a • 22041 Hamburg Telefon +49 (0)40 46 89 82 - 0 • Telefax +49 (0)40 65 59 98 - 99 • eMail: info@solvin.com

¹ On some Surface Hub devices older versions of Edge could be installed and cause problems in visualization.

3 Installation

3.1 Installation of the Webpart

Follow these steps to install SOLVIN PulseBoard in your Project Online environment. Permission to add elements in the library *Apps for SharePoint* on the App Catalog site is required.

- 4 -

- Extract the file SOLVIN PulseBoard-<version>.zip in an arbitrary folder.
- Ask the system administrator of your SharePoint environment about the URL of the SharePoint App Catalog site if you do not know.
- Open the App Catalog site:

	Office 365 SI	harePoint								
BROW	/SE PAGE									
9	>	Home App Catal	App Catalog
